

The Junior Tour Dallas (JTD) and Perfect Hands Golf (PHG) are excited to announce an innovative strategic partnership. The collaboration is designed to help junior golfers realize their dreams of playing golf in college, by accelerating their player development levels with the unique and patent pending PHG system.

“Perfect Hand Golf has changed the Game of Golf and the PHG System is a must have Training Product for the Driving Range and home practice facility,” stated JTD Director Mark Cochrane. “Perfect Hands Golf enables a golfer to quickly develop the two most important elements in a perfect golf swing - accuracy and distance.”

“We are very excited to partner with the Junior Tour Dallas,” stated Mario Karagianis CEO of PHG. “We believe this partnership is at the forefront of the industry in terms of advancing junior golf, and our Perfect Hands Golf system will provide the system needed for Junior Tour Dallas members to accelerate their learning curve and build higher clubhead speed. Our safe and effective system is ideal for junior golfers, and the system works for golfers of all ages in every stage of player development.”

#### **About The Junior Tour Dallas**

The Junior Tour Dallas is an elite Junior Golf Tour in the Dallas Fort Worth region. With 90 players registered for the Spring 2023 season, the Tour has doubled from the 41 players competing in 2022. Last year the young talented junior golfers attracted an average of 180 spectators and parent caddies for each tournament, and these figures will be considerably higher in 2023. Each tournament brings in family members to support their player, and the events we are a wonderful experience with camaraderie - as competitors finishing their round head back out to the course to support fellow competitors.

#### **About Perfect Hands Golf**

Perfect Hands Golf (PHG) was founded in 2018 and is a revolutionary swing and strength system that enables a golfer to quickly develop increased accuracy and distance through Resistance Training by encouraging Muscle Memory to occur at an accelerated rate, resulting in a perfect, on-plane swing, every time.
