

Material Handling

Freeman is the exclusive provider of material handling services. Material handling includes unloading your exhibit material, storing up to 30 days in advance at the warehouse address, delivering to the booth, the handling of empty containers to and from storage, and removing of material from the booth for reloading onto outbound carriers. You have two options for shipping your advance freight - either to the warehouse or directly to show site. Material handling charges will automatically be applied to your account upon receipt of each shipment.

Important information

Certified weight tickets must accompany all shipments.

Any materials received by Freeman are subject to Material Handling Charges and are the responsibility of the Exhibitor. This also applies to items not ordered through the Official Show Vendors.

Disposal of exhibit properties is not included as part of material handling charges. Contact Freeman for quoted rates and rules applicable to disposal of exhibit properties.

Warehouse

Please note that the Freeman warehouse does not accept uncrated freight (loose, pad-wrapped material and/or unskidded machinery), COD shipments, hazardous materials, freight requiring refrigeration or frozen storage, a single piece of freight weighing more than 5,000 pounds or a single piece of freight beyond the dimensions of 108"H x 93"W.

Show site

Any charges incurred for early freight accepted by the facility will be the responsibility of the exhibitor.

Outbound

Submit your outbound shipping information in advance and we will deliver your paperwork to your booth during the show. If no outbound information is submitted, Freeman reserves the right to return the freight back to the company address on file at the exhibitor's expense.
