

Connect with Us at the PGA Show:

- Booth #3815
- On-Site Media/Marketing Contact: CEO Stefan Simms
- Show Week Special Events/Programs: Inventors Stage: Stefan Simms (CEO) speaks about „The Future of Golf Markets“

About Us *“Play with passion. Win your game.”* is more than just a slogan. It is the lifestyle that we have pursued since the first round of golf. More modern, younger, better. Company founder Stefan Simms started the company in 2018 with a high-quality brown golf glove that quickly conquered the scene, and just five years later he is already looking at a broad portfolio of stylish accessories for the golf course.

The brand which originates from Landscheid, Germany, was created out of the love of golf and the desire for authentic and innovative products. The BEAVER team is passionate about golf. It is precisely this passion and ambition that they incorporate into the development and production of their designs. “Our mission is to change the world of golf”, says CEO Stefan Simms. “That's why we don't just focus on style, but above all on real sustainability.” The BEAVER team is constantly looking for environmentally friendly alternatives in the area of packaging and products. “We show you that sustainability is not a luxury and does not have to be expensive.”

In addition to the gloves, BEAVER GOLF also features stylish caps and hats as well as ball markers, tees, club towels and clothing such as socks and hoodies. www.beaver-golf.com

Company Leadership Stefan Simms is the founder and creative head of BEAVER GOLF. His

passion for the game provided the impetus for our brand. Stefan serves as CEO of the company and together with his innovative team he aims to create new trendy and sustainable products that will help improve your golf game.

CEO and founder Stefan Simms will be available for interviews at the exhibition. Tobias Lehmann from the sales and marketing department will also be available.

Interview questions can be asked directly at the stand (Inventor Zone) or in advance by e-mail (to pga@beaver-golf.com; subject: Interview questions or trade fair appointment).

Branding/Images The registered logo of BEAVER is approved for use in the context of PGA 2024. Any other use must be requested at booth #3815 by CEO Stefan Simms. Required image material will be compiled at the exhibit(booth #3815) and released for use. Please ask for Marc Bremer and Malte Babion (Marketing).

Press Releases Further information about the brand, news and updates can be obtained directly from our website www.beaver-golf.com
