CADDIE S.A.K. GOLF CART UTILITY PANEL ORGANIZER KEEPS ALL GOLFING NECESSITIES FRONT & CENTER

The Premier Golf Cart Carryall Debuts At 2023 PGA Show

Virginia Beach, VA – January 2023 – Caddie S.A.K.™, the perfect golf cart “go bag” for anyone’s game, is making the rounds for the first time at this year’s PGA Show in Orlando (New Product Zone and Booth #2920).

The Caddie S.A.K. (or “Storage Accessory Kit”) is an abrasion resistant nylon dashboard bag that contains multiple compartments, pockets and panels that attaches directly onto the cart’s canopy frame keeping all golfing necessities front and center.

Billed as the premier golf cart utility carryall, Caddie S.A.K. is made by All-Pro Tactical, a company whose bags and packs are designed and constructed with the same tactical gear technology used by the military and law enforcement under the harshest conditions on earth. “We take pride in knowing our products excel from the battlefield to the playing field and that every All-Pro bag is backed by a lifetime guarantee,” said David Bohannon, CEO, London Bridge Trading (LBT).

“Pro Shop merchandise buyers and course pros want products that will draw in golfers as they arrive for a round or appeal to browsing visitors,” explained Bohannon. “Caddie S.A.K.’s attractive price point entices impulse sales be it for themselves or for their favorite golfer as a gift.”

Caddie S.A.K. keeps everything right where you need it. When you're done, simply roll it up and stow it for your next round - just grab and go. -- David Bohannon

(continued)

“Our Bungee-loaded harness straps with side release buckles securely anchor your Caddie S.A.K. to any golf cart canopy frame – with or without a windshield,” Bohannon explained. “Its 13-Inch, double pleated, see-through mesh center pocket secures everything from Bluetooth speakers and range finders to car keys and wallets.”

Other features include two separate 6-inch by 8-inch by 2-inch (6" X 8" X 2") zippered cargo pouches with elastic retention straps perfect for your golf balls, tees or gloves, or personal items such as your stogies or sunscreen. Two cinch-top pockets provide quick access to mobile phones, water bottles and sunglasses and loop panels on the front cargo pouches and back side can personalize your Caddie S.A.K. with name tapes or Rip-n-Stick™ pride patches.

Caddie S.A.K. keeps everything right where you need it. When you're done, simply roll it up and stow it for your next round - just grab and go.

Product Features:

- Built with abrasion resistant ballistic nylon for maximum durability
- Heavy duty plastic molded zippers eliminate corrosion and sticking
- Loop panels for attaching Rip-n-Stick™ patches and name tapes
- American flag Rip-n-Stick™ Pride Patch always included
- Every All-Pro bag is backed by a lifetime guarantee

ABOUT CADDIE S.A.K.

The Caddie Storage Accessory Kit -- Caddie S.A.K. -- is a product line from All-Pro Tactical. For more than 30 years, All-Pro Tactical has produced tactical nylon products prized by the U.S. military and law enforcement as mission-critical gear when serving in the harshest conditions on earth. Caddie S.A.K. and All-Pro Tactical are part of the London Bridge Trading (LBT) and LBX Tactical family. The LBT and LBX brands are revered around the world for their quality materials and strict manufacturing standards. We are proud to continue this tradition by providing high performance sports and equipment bags. Visit: allprotactical.com for more information.
