

FOR IMMEDIATE RELEASE

## PRECISION PRO GOLF LAUNCHES THE NX10 RANGEFINDER, FIRST FULLY CUSTOM RANGEFINDER AT [2023 PGA SHOW](#)

**PRECISION PRO GOLF**, (Cincinnati, OH) the leading manufacturer of high-quality golf technology and distance measuring equipment, is proud to announce the launch of its newest product, the NX10 Slope Rangefinder, the first fully customizable rangefinder with interchangeable skins. Precision Pro Golf will be exhibiting the NX10 Series Rangefinder at the 2023 PGA SHOW in Orlando, January 24-27 at booth #1401.

The [NX10 Rangefinder](#) is the fastest, most powerful, best in class rangefinder that utilizes adaptive slope technology to provide golfers with accurate distance measurements on the course. With the push of a button, players can easily switch between slope and non-slope modes, making it legal for use in tournament play (USGA Approved).

In addition to its slope functionality, the NX10 also features a 6x magnification lens, magnetic cart mount and a bright, easy-to-read LCD display, accurate to 900+ yards.

The [NX10 rangefinder](#) is the first fully customizable rangefinder with interchangeable side and face plates to personalize each golfer's style and personality. Customization of the NX10 Rangefinder is available online at Precision Pro Golf or select retailers.

"We are thrilled to add the NX10 Slope Rangefinder to our product lineup," said Jonah Mytro, Co-Founder & Director of Sales. "The NX10 Rangefinder is the first of its kind to offer customization with interchangeable skins, an essential tool for golfers for a rangefinder that is unique compared to competitor products currently in the market. "

The NX10 Slope Rangefinder is available in both slope and non-slope models, ranging in price from \$229.99-\$299.99 based on the model and custom skin options.

All NX10 products include an industry leading 3-year replacement warranty, free battery replacement program and upgrade program.

Precision Pro Rangefinders & GPS products are available at over 3,000 retail locations within the USA/Canada including online at <http://www.precisionprogolf.com>.
