

Press Release

For your best Food & Beverage branding– the Chocolate SideCar® hangs above the other choices at the '2023 PGA Merchandise Show!

January 1, 2023 Fairfield NJ:

ChocolateText® a division Immunity Goodness®, will introduce their beverage branding concept, The Chocolate SideCar® at the 2023 PGA Merchandise Show.

The ChocolateSideCar™ is a great accompaniment to your favorite beverage: wine, beer, alcohol, coffee, milk, tea, etc. Available in multiple designs and flavors, they fit on the rims of most glass or plastic ware. Starting with the finest Belgian chocolate, each piece is hand made the Artisanal way including being inspected twice before it leaves our factory.

Golf Food and Beverage operations can custom brand each SideCar in multiple colors with their own brand, event or tournament logo in low volumes.

SideCars are also available in multiple flavorings including Belgian Milk, Belgian Dark, MochaPresso [crushed espresso], various fruit and liquor flavors.

Be sure to come by booth # 3415 and toast to the newest and most unique golf beverage enhancement.

#

About Us: Our Patent Pending ChocolateSideCar™ is a product of Chocolatetext™ and a division of Immunity Goodness®. We have over 30 years' experience with chocolate design and manufacturing, with all production being done at our facility in Fairfield, NJ for worldwide shipping. **Since 1992, we have worked in multiple industries creating products that are both effective and palate pleasing.**
