### **On-Course Music & Audible GPS yardages with Class!**

***TecTecTec! will be introducing the smallest combination Speaker & Golf GPS on the market at the PGA Show in Orlando, January 24-27, 2023.***

(December 12, 2022) - TecTecTec, the award-winning Rangefinder and GPS innovation company, will be unveiling their brand new Team8 S, a pocket-sized Bluetooth Speaker & Golf GPS Device at the PGA Show in January.

The pocket-size Team8 S by TecTecTec is smaller than the any other combination Speaker/ Golf GPS on the market and loaded with features. The lightweight, compact design isn't much bigger than a golf ball and will take phone calls, play music, provide audible GPS distances, and announce shot distance in crystal clear audio. The Team8 S also features a built in Magnet to secure it on the included Belt Clip, Golf Cart, or any metal surface.

The new Team8 S by TecTecTec! is offered in three different colors: Black, Gray and Yellow and will retail for \$99.99.

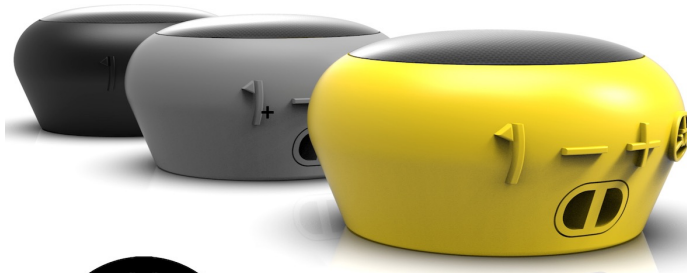

*"TecTecTec has developed many game enhancing products for golfers over the past decade. Our goal with the Team8 S was to cater to the golfer who enjoys listening to music while they play, enhance their experience by offering audible GPS yardages, all while respecting the heritage of the game and golfers around you."*

- Steve Henneman, Global Sales Director for TecTecTec.

### About TecTecTec!

TecTecTec is a manufacturing company driven by one motto. "Only What You Need." It started in 2014 by two brothers from Vannes, France who both happened to be engineers following in their father's footsteps. Within a short period of time, TecTecTec rose to be the #1 Rangefinder on Amazon between 2016-2020, Their model is simple: Innovation and Precision for a fair price.
