

## **FOR IMMEDIATE RELEASE**

### **Vegas Golf Offers New Products for Golfers Who Enjoy Beer, Cigars, and Gambling on the Course**

**October 5, 2024**

Golf is no longer just about perfecting your swing or hitting birdies. Today, a growing trend is sweeping golf courses around the world: golfers are embracing a more social experience by incorporating cigars, beer, and friendly gambling into their rounds. This shift has made the game more leisure-filled and enjoyable, with players savoring every hole as much for the camaraderie as for the competition.

#### **The Modern Golf Experience**

In recent years, the golf course has transformed into a prime setting for social activities like smoking cigars, enjoying a cold beer, and placing bets on the outcome of good and bad shots. The unique setting of golf makes it an ideal environment for indulging in these activities without disrupting the flow of the game or bothering other players. With rounds typically lasting 4-5 hours, there's plenty of time to light up a stogie, crack open a beer, and wager on whether your buddy will make a challenging shot.

As sports betting continues to grow in popularity, its presence on the golf course has hit an all-time high. Vegas Golf has recognized this trend and capitalized on it by offering their fun and engaging Vegas Golf "On The Course" Golf Games, which bring the thrill of friendly competition directly into the game.

#### **Vegas Golf: Revolutionizing the Game**

Vegas Golf has developed a line of accessories that cater to the modern golfer's desire for fun, relaxation, and bonding with friends. Three of their most popular products—the Vegas Golf "On The Course" Gambling Game, the "Need Beer" Golf Towel, and the Golf Ball Stogie Holder—have quickly become essentials for golfers everywhere.

- **Vegas Golf "On The Course" Gambling Game:** This exciting game levels the playing field for all golfers, making every round more thrilling. Players agree on chip values before teeing off, and the game starts with each player holding no chips. The goal is to collect the (red) positive chips while avoiding the negative ones. The player holding the chip at the end of 9 or 18 holes collects the payout, making for an exciting finish.
- **Need Beer Golf Towel:** This towel adds both humor and functionality to any golf bag. It keeps your clubs clean while signaling to the Beer Cart that it's time for another round. The towel even includes a Free Beer Chip for added fun—whoever has the worst tee shot on a Par 3 gets the Beer Chip. If the Beer Cart arrives while you have it, you're buying!
- **Golf Ball Stogie Holder:** Perfect for cigar lovers, this accessory is made from an authentic golf ball with a removable tee and features a magnetic attachment to secure it

on flat surfaces or attach it to the arm of the golf cart. The stogie holder keeps your cigar safe between shots, so you can focus on your game while enjoying your smoke.
