### Tübr Wins Best-In-Show at the 2025 PGA Show Inventor's Spotlight in Orlando

Orlando, FL – Tübr, the innovative leader in premium portable storage for cigars and other small essentials, has been awarded Best-In-Show at this year's Inventor's Spotlight Awards at the PGA Show in Orlando. This prestigious honor recognizes Tübr's ground-breaking design and unmatched functionality, setting a new standard for premium on-the-go storage.

"We are honored to receive the Best-In-Show award at the PGA Show's Inventor's Spotlight," said Brad Jersey, Managing Partner of Tübr Storage. "Our mission has always been to create the ultimate portable storage for cigar lovers, golfers and outdoor adventurers. This recognition is a testament to our innovation, craftsmanship, and commitment to quality."

### Premier Award at Golf Industry's Premier Event

The 2025 PGA Show, held at the Orange County Convention Center in Orlando, FL, is the ultimate gathering for golf industry professionals, showcasing the latest in golf technology and equipment. Winning Best-in-Show underscores Tübr Storage's impact on the future of premier storage solutions.

### Revolutionizing Golf Storage

Tübr's revolutionary storage ensures that cigars remain in peak freshness, thanks to a hermetic seal that locks in moisture while keeping out the elements. Crafted with crushproof durability, Tübr protects cigars and valuables from damage and inclement weather, making it an essential companion for golfers, travelers, and outdoor enthusiasts. Tübr offers a range of storage solutions tailored to different needs:

- **Gordo** – Protects and preserves two cigars.
- **Kingz** – Designed for cigarillos.
- **Stash** – Perfect for smaller essentials like medications or jewelry.
- **Gordo Alümen** – A premium collectible version of Gordo, crafted from aircraft-grade anodized aluminum.

Tübr's materials ensure food-grade safety, and long-term durability. Additionally, Tübr's utility patent makes it an exclusive, unparalleled product in the market.
